

## Meet our School Principal

# Mrs. Wier

## Greetings Bucs!

I am excited to introduce myself to you as our School Principal. I joined FSWC in 2018 and can honestly share that I love being a school administrator here. I find myself enjoying each school day working with amazing students, dedicated teachers, and supportive families.

Please know that we really care about providing our students with a rich academic environment at FSWC. I hope that we exceed your expectations in all your courses and student activities. We are proud to be the Buc**CAN**neers!

## My Education

- Master's Degree in Educational Leadership from Florida Gulf Coast University
- Bachelor's Degree in Marketing and Secondary Education from The Ohio State University

**School  
Counselor**

## Hello!

Hello, my name is Mrs. Foster and I am your FSWC School Counselor! I helped open the doors of FSWC back in 2009 and I have been the School Counselor here for over 15 years! I LOVE working with high school students and I want you to know that I am always available to help answer any questions you may have, or help you navigate through a problem. Don't hesitate to reach out to me because I am here to help you be as successful as possible here at FSWC!

# Meet the Staff

# Mrs. Shier

## Hello!

Hello, my name is Charity Shier and I am your FSWC School Social Worker! I have been working in Charlotte County Schools since 2007 and am excited to be supporting FSWC on Mondays! High School is an exciting, but sometimes challenging time, and I strive to help students navigate social, emotional and life transitions within school and beyond. My services include short-term counseling, crisis intervention, attendance support, goal setting, resiliency education, fostering a culture of mental wellbeing, and more. Please don't hesitate to reach out to me! ¡Yo hablo español!

# Mrs. Steed

## Hello!

I am one of the registration and information specialist here at FSWCHS on the Charlotte campus. I have been in some field of education at many different capacities for most of my adult life. I am always happy to assist students in the pursuit of their educational goals in any way that I can help. Seeing students achieve the things they never thought possible and become independent, happy and successful young adults is one of my life's passions.

# Meet the Staff

# Officer Sokol

## Hello!

I was born in Ohio. We moved to Texas at age 13 where I graduated high school. I've lived in South Florida for 35 years and have worked in the field of criminal justice for the same amount of time. I moved to Punta Gorda 5 years ago where I live with my family. I enjoy boating and experimenting with machines.

I have been assigned to FSWC for the past 2 years. I look forward to another great and safe school year.

# Mr. Baradith

## Hola!

Welcome to Spanish Class at FSWC! Our class will focus mostly on language acquisition over learning. This class will not only help you develop Spanish but also the right conduct, culture, and college readiness aptitude you'll need to succeed with. Our Spanish classes strive to inspire to speaking by making learning fun and easy. The focus will be to learn in a creatively through innovative lessons that include real-life experiences, cultural activities, games, movement, and even sign language in Spanish.

## Hello!

Welcome to Chemistry Honors! I am thrilled to be teaching a subject I love and to have an opportunity to get you excited about science and chemistry. I have been teaching for over 20 years in a variety of classroom environments, ages, and subject areas from Secondary to College and this is my best year yet at FSWC! I love to learn new things and am a steadfast believer in being a life-long learner. My desire is to give you the tools to learn anything life may throw at you now as a high schooler, future college student, and future career changer. Science is absolutely amazing and never stops changing! I am honored to be a part of your lives.

## My Education

I completed my Bachelor of Science in Biological Sciences with a minor in Chemistry at Florida International University then moved to Alabama where I completed my Master's Degree in Biology at the University of West Alabama. After ten years at the college level, I was coerced into teaching high school Chemistry and found my passion. I have taught, Anatomy & physiology, Biology, Chemistry, and Environmental Science at the Honors Level.

# Meet the Teacher

# Dr. Davey

## Greetings!

My classes are designed for students to explore the Humanities. As such, students will express their vantage points and perspectives through formal composition & rhetorical analyses as well as through more creative venues. Projects are often multi-disciplinary and include studio art production along with art history exposure. My ultimate intent is to broaden students' cultural and literary awareness and appreciation for the arts, fostering life-long learning and curiosity.

# Meet the Teacher

# Dr. Mullins

## Welcome!

The goal for my course is to foster an understanding of and an appreciation for significant people, places, and events throughout recorded history. The course is designed to transition students from a broad view of world history during freshman year to a more specific take on U.S. history in the sophomore year.

# Meet the Teacher

# Mr. Nielsen

## Hello!

Welcome to this amazing school, where opportunities to excel surround us all. People love being here because we work side by side encouraging each other to develop mastery and competence.

Geometry class will expand your ability to juggle many details all at the same time; you'll be so proud of yourself for all you'll accomplish.

My goal is for you to see a more enjoyable side of math, and to laugh and study your way to a higher level of excellence in this honors course. See you soon!

## My Education

- Master's degree in Educational Administration & Leadership
- Bachelor's degree in Religion and History
- Florida State certification in Mathematics

# Meet the Teacher

# Mrs. Nolan

## Welcome, students of excellence!

I have had the privilege of teaching math at FSWC since the school opened. Our first students took great pride in creating a school where they were proud to excel and I encourage you to continue that legacy here.

I will provide the knowledge and support you need to be challenged and grow in your mathematical skills in Algebra 1 and Algebra 2. Algebra teaches us to think abstractly in a logical, organized matter which stimulates our brains and helps us to think in new ways. I am always proud of the growth I see in students each year. I'm excited to meet you!

## My Education

- Master of Science in Accounting
- Master of Business Administration
- Bachelor of Arts Degree in Applied Mathematics and Music

# Mrs. Teitelzweig

## Hello!

Welcome to FSWC. You are embarking on an exciting journey that will challenge you, and, hopefully, stimulate your passion for learning. In English I, you will study grammar, explore literary genres, and further develop your writing skills. The depth of this learning will prepare you for your future academic success. I look forward to sharing this journey with you.
